Statement of the
CONCERNED CITIZENS FOR CONSTITUTIONAL GOVERNMENT
OF SULLIVAN COUNTY

Whereas the President's discharging of the Special Prosecutor
Mr. Archibald Cox, has deprived the American people of an impartial
investigation of the Watergate burglary, the Ellsberg
"Piracy," and related illegal activities during the 1972 Presidential
campaign, and

Whereas the President has obstructed justice by refusing to comply
with the court's request for files and other related documents
necessary for prosecuting individuals suspected of criminal acts;

Therefore, be it resolved that the Concerned Citizens for Constitutional
Government of Sullivan County do hereby petition for the resignation
or impeachment of Richard N. Nixon for conduct which dismembers
the office of President and violates the trust of the American people
in its most treasured definitions of their Constitution.
