Dear Brother Green:

Enclosed is the new release and picture which will appear in our Butte paper next Sunday. It was okayed by the Holiday Inn representatives and we would like it to appear in the Catering Employee Magazine.

"Butte's new Holiday Inn, a million dollar investment, is opened for initial business at 2910 Harrison Avenue. Holiday Inns of America, Inc. and Trans-International, Inc. of Springfield, Missouri made the investment here. Trans-International has the franchise.

Mr. Allen Schmidthorst, the Innkeeper, announced the employment for the 85 unit motel, restaurant and bar will require the services of sixty (60) employees, all selected locally with the exception of John Borchers, Restaurant and Bar Manager, and his assistant, Don Wherry; both men are from Columbia, Missouri.

The Union Contracts covering the employees was signed on March 3, 1966 by the officers of the Local Joint Executive Board of the Hotel, Motel and Restaurant Employees and Bartenders of Butte, Montana.

This picture was taken at the signing of the Union Contracts and are, from left to right, clockwise: Don Wherry, Assistant Restaurant and Bar Manager; John Borchers, Manager, Restaurant and Bar; Blanche Copenhaver, Secretary of the Local Joint Executive Board and President of the Women's Protective Union; Margaret K. Harrington, Secretary of Women's Protective Union; Val Webster, Business Agent, Women's Protective Union; Allen Schmidthorst, Innkeeper; Connie Boyle, Secretary, Bartenders' Union; Fred Gastineau, Secretary, Cooks and Waiters' Union, and William Foy, President of Bartenders' Union."

Fraternally yours,

Margaret K. Harrington
Financial Secretary
